

Dairy Industry Development Officer

This is an excellent opportunity to join a proactive and motivated team in providing support to dairy farmers throughout Queensland where you will have the ability to make the role and region your own.

As an Industry Development Officer you will be working collaboratively with farmers to help them achieve goals for their farm and therefore the industry, through the Dairying Better 'n Better program.

Essential attributes for this position are experience in and passion for agriculture (including relevant tertiary qualifications), ability to work both autonomously and within a team, an ability to prioritise work within contractual timeframes, with good communication and time management skills.

This is a full time contract position for a 12 month period which may be extended subject to accessing future funding commitments.

The role will initially be based in Brisbane CBD, with training provided as required and following this, the location base is flexible upon negotiation.

For detailed roles and responsibilities and the selection criteria please email nrm@dairypage.com.au. Applications in writing addressing selection criteria are required by the closing deadline of 5pm Tuesday 31st January 2012.
